

LOWER MAINLAND RINGETTE LEAGUE

**MEMO TO MEMBERS**

**SUSPENSION OF INTER-ASSOCIATION GAME PLAY FOR REMAINDER OF 2020**

November 26, 2020

The member associations of the Lower Mainland Ringette League (LMRL), along with the LMRL board of directors have decided to suspend inter-association games of the LMRL for the remainder of the 2020.

This does not include association and zone sanctioned games taking place within each association, which may proceed following guidelines and direction from Ringette BC and ViaSport, and for as long as provincial health orders allow for it.

The LMRL board will continue to monitor the health orders and evaluate the ability to have inter-association games in January, should it be deemed safe to do so by health authorities and Ringette BC at that time.

We would like to extend our thanks to the members of our ringette community. Your cooperation, hard work, and support of our athletes is so much appreciated.

Sincerely,

Shannon Bettles  
President  
Lower Mainland Ringette League
